MEURSAULT

PULIGNY-MONTRACHET CHAMP GAIN

1er CRU

Domaine Pierre Morey
White wine

Classification : 1^{er} cru

Vintages : Since 2017

Grape variety: Chardonnay

Champ Gain « climat » is one of the highest (in altitude) 1er crus in Puligny-Montrachet, on the upper side of Mont Rachtet.

The clay and chalk soils are thin there with a lot of stones. It is very well exposed, South East, and well protected, even if ripeness is far from precocious.

Wines are smooth with a nice volume and also a beautiful minerality : good balance between freshness and sensuousness.
